March 28 or 29	7:15 PM	August 22 or 23	7:45 PM
April 25 or 26	7:45 PM	September 19 or 20	7:00 PM
May 23 or 24	8:15 PM	October 17 or 18	6:15 PM
June 20 or 21	8:30 PM	November 14 or 15	4:45 PM
July 18 or 19	8:20 PM		

Valley Forge Park – Model Airplane Field

Look for telescopes set up on grass. Park on gravel road only.

* Easy Directions from Rt. 202:

Rt. 252 North from Rt. 202 at Devon exit – go exactly one mile
Make sharp left onto dirt/stone road (just after PA Turnpike overpass)

* Easy Directions from Rt. 23/Rt. 422:

Follow Rt 23 around the park
Make a left turn at the traffic light on Rt 252 South.
Follow Rt 252 through the park to the field.
Turn right on dirt/stone road just before the bridge over PA turnpike. If you pass over PA Turnpike, turn around!

Note:

- Novice stargazers are often surprised at how cold they get while observing. For your own comfort and enjoyment, please dress warmly!
- Cancellations: Star Watches are NOT held if there are clouds, rain, etc. Check <http://www.dvaa.org/> for the most up-to-date information on weather-related changes.

Registration at [dvaa.org](http://www.dvaa.org) is mandatory for attendees (capacity limited to 80 registrants). DVAA members setting up telescopes do not need to register. Registrants and members will receive last minute weather updates via email or text.

We are permitted on the Model Airplane Field only after sunset. For your safety, please do not enter the field if airplanes are flying! Also, please do not park your vehicle on the grass. For safety reasons, please no pets allowed on the observing field.
